

Youth Summit and Technology Expo

Saturday, November 18, 2017
10:00 am - 4:00 pm

NOVA

Northern Virginia Community College 2645 College Drive
Woodbridge, VA 22191

Are you Interested in a Roadmap to Career Success in STEM??

Come to the Youth Summit and Technology Expo. It is a dynamic day packed with information, workshops, and exhibits for this generation of high school students, college students, and their parents. You will uncover career opportunities in the computer game industry, cybersecurity, and other technology based industries.

YOU WILL:

- Discover technology based opportunities for both boys and girls
- Interview with college recruiters from Virginia Tech, Hampton U, Liberty U., Mary Washington, and more
- Meet leaders from auto technology, aviation technology, biotechnology, and more
- Get help with college applications, resumes, and financial aid applications
- Learn about college scholarships and grants for STEM majors

Door Prizes!! Free Food
